

Getting Started Right

You've made a great decision to start your business with Jeunesse Global and Team Freedom International! With the help of your upline support team, use this guide to help you launch your business down the path of success.

DETERMINE YOUR **WHY**

Why did you join this business? What would extra income do for you and your family? What does freedom look like to you?

LAUNCH WITH A **J PARTY**

The best way to start your business is to launch it with a JParty! **Host at least 2 in-home or online virtual parties within your first 10 days.** Work with your upline support team to help plan, invite and host your launch party.

In-Home Party

In the comfort of your own home, share the products and opportunity. Host a simple party to show your excitement. The key is to keep it fun and simple like a wine and cheese party.

Online Virtual Party

Host your own online event where you can share our breakthrough products and business. Use tools like Zoom and social media to connect with people from all over the world.

CREATE YOUR LIST GET 10-IN-PLAY RIGHT AWAY!

Your contact list is the foundation of your business. Start by identifying your **first 10 prospects**. With the help of your support team, identify the best approach on how to expose them to Jeunesse. Will it be a product sample? Send them a video with JMobile? Can they attend your Y.E.S. Party? **TIP: Download and practice using the JMobile app.**
